

Cruising Association East Coast Spring Rally 2025

Outing to Felixstowe Museum, Landguard Fort and the Historic Vehicles

Sunday 4th May 2025

0915 Meet on the lawn at RHYC and drive in shared cars to Felixstowe Museum, View Point Road, Felixstowe, IP11 3TW. What3Words /// supreme.perfectly.pitching, see map below.

1000 Arrive at Felixstowe Museum for coffee and tea and a guided tour. (Note there are public toilets next to the View Point Café, see map).

Landguard Fort: Walk 50 yards to the Fort for an audio guided tour. There are free audio guides available at the entrance but also a free downloadable guide for your smartphone available by scanning this QR code.

Lunch: at the View Point Café (100 yards). However, this is a very popular venue, be prepared to queue. There is another café, called Sea You Café, just over one mile walk along the front shortly past the NCI Martello Tower. Alternatively, take Bus 77 from outside the Fort to Felixstowe seafront.

Afternoon: View the Historic Vehicles taking part in the annual Ipswich Transport Museum organised Road Run from Christchurch Ipswich to Felixstowe Promenade. All sorts of vehicles are due to start arriving on the Felixstowe promenade from 1200 and can be viewed during the afternoon. Last year there were 500. Finding a parking space there is likely to be a nightmare, so leave cars at the Museum and walk or take Bus 77 to Felixstowe.
